ABOUT THE SPEAKERS

Mike Patterson. With their car repossessed and creditors constantly calling them, Mike and Cindy Patterson needed a financial solution. They agreed that Cindy would try the Herbalife business opportunity for a year; if it didn't work out, she would find a regular job to supplement their income. Now, after gaining financial peace, achieving Executive President's Team and developing great friendships, they know it was the best decision of their lives.*

Jason Wick. Putting in exhausting, long hours each week as engineers at large corporations, newlyweds Amber and Jason Wick had little time to spend together. Although they initially started their Herbalife business to benefit from discounts, they've since replaced their high-paying corporate incomes and stress-filled lives with something better – all through Herbalife. Now they've built an extremely strong group, and according to Amber, "We're so much more than a team: We're one big family!"*

*Incomes applicable to the individuals (or examples) depicted and not average. For average financial performance data, see the Statement of Average-Gross Compensation for U.S. Supervisors at www.herbalife.com and www.myherbalife.com.
