ABOUT THE SPEAKERS

John & Bobbie Franchetti made money with his business, but found he was thousands of dollars in debt. When an Herbalife Independent Distributor told him about the business opportunity, John saw it as a road to financial peace and signed up. Now he enjoys a lucrative income and has achieved the prestigious Executive President's Team.*

Meg Lile. Filing for bankruptcy was a serious wake-up call for husband and wife Paul and Meg Lile. Their jobs as a securities trader and pediatric nurse, respectively, left them financially short and desperately looking for a change. Then Paul was introduced to Herbalife and became a Distributor. "We experienced life-changing results with the products," says Paul, "so I jumped in and worked the business." Meg joined him nine months later. "Now," says the couple, "we earn a significant income working from our kitchen table!"*

*Incomes applicable to the individuals (or examples) depicted and not average. For average financial performance data, see the Statement of Average-Gross Compensation for U.S. Supervisors at www.herbalife.com and www.myherbalife.com.
