#### ABOUT THE SPEAKERS

**Maurice & Sandra Smith** struggled to live on one paycheck. The couple explained, "We didn't have good luck with other home-based businesses, so we were hesitant at first about Herbalife. But our experience with the products made all the difference." Now they say, "If an ex-factory worker and a stay-at-home mom can get to the top, anyone can!"\*

**Tina White.** After having her son, Tina quit her job and became a stay-at-home mom. They struggled trying to live on just one income. Looking for a way to make money from home, she discovered Herbalife. Now Tina and her family are enjoying a great lifestyle and a new home. "I wanted \$500 extra a month and now I can make that much in a day," she says.
